Award Category	Project of the Year
Company Name	
Project Name	

This category provides a broad scope to give all members the chance to demonstrate and showcase any interesting or significant projects they may have worked on throughout 2021/2022 – be it because of the nature of the property, the challenges involved or because it is a particularly notable or unusual case studies.

As a guide, points to consider can include:

- An historical or unusual building you may have undertaken work on and how the nature of the structure impacted you
- A significant technical problem you had to overcome and how you did it
- A well-managed job where challenges and difficulties were overcome
- A job which highlights the skills, expertise, and knowledge of those involved

Outline and describe your entry fully, indicating how it meets the requirements of the chosen category. **You will need to adhere to the word count of 1,000 words.** You can submit supporting photos and documentation, although please limit this to 2 sides of A4, including photos and attachments.

Deadline for submissions is midnight on Friday 12th May 2023.

Enter your text here. You will need to adhere to the word count of 1,000 words
